

exceed the skim milk and butterfat, respectively, in the form of milk from his own farm production, and in the form of fluid milk products from pool plants of other handlers, allowing for inventory derived from such sources; and

(b) Assumes as his personal enterprise and risk the processing and distribution of fluid milk products and the maintenance, care, and management of dairy animals and other resources necessary to produce his own farm milk production.

§ 1032.11 [Reserved]

§ 1032.12 Producer.

(a) Except as provided in paragraph (b) of this section, *producer* means any person who produces milk in compliance with the Grade A inspection requirements of a duly constituted health authority, and whose milk is received at a pool plant or diverted as producer milk pursuant to § 1032.13.

(b) “Producer” shall not include:

(1) A producer-handler as defined in any order (including this part) issued pursuant to the Act;

(2) Any person with respect to milk produced by him which is diverted to a pool plant from an other order plant if the other order designates such person as a producer under that order and such milk is allocated to Class II or Class III utilization pursuant to § 1032.44(a)(8)(iii) and the corresponding step of § 1032.44(b); and

(3) Any person with respect to milk produced by him which is reported as diverted to an other plant if any portion of such person’s milk so moved is assigned to Class I under the provisions of such other order.

§ 1032.13 Producer milk.

Producer milk means the skim milk and butterfat contained in milk of a producer that is:

(a) Received at a pool plant directly from a producer or a handler described in § 1032.9(c);

(b) Received by a handler described in § 1032.9(c) in excess of the quantity delivered to a pool plant(s);

(c) Diverted from a pool plant for the account of the handler operating such plant to another pool plant;

(d) Diverted from a pool plant to a nonpool plant (other than a producer-handler plant) for the account of the handler described in § 1032.9 (a) or (b), subject to the following conditions:

(1) Milk of a dairy farmer shall not be eligible for diversion during the months of August through April unless such producer’s milk is delivered to and physically received at a pool plant at least once during each such month;

(2) The total amount of milk diverted by a cooperative association during each of the months of September through November and January through April, shall not exceed 35 percent of the producer milk that such cooperative caused to be delivered to and diverted from pool plants in each such month and 45 percent of such producer milk deliveries and diversions by the cooperative in each of the months of August and December;

(3) The operator of a pool plant (other than a cooperative association) may divert any milk that is not under the control of a cooperative association that is diverting milk during the month pursuant to (d)(2) of this section. The total amount of milk diverted during each of the months of September through November and January through April shall not exceed 35 percent of such plant operator’s producer milk received at and diverted from such pool plant and 45 percent of such plant operator’s producer milk receipts and diversions in each of the months of August and December;

(4) The quantity of milk diverted in excess of the applicable percentage limit prescribed in paragraph (d) (2) or (3) of this section shall not be producer milk. In such event, the handler diverting such milk may designate the dairy farmer deliveries that shall not be producer milk. If the handler fails to make such designation, milk diverted on the last day of the month, then the next-to-last day of the month, and so on, shall be excluded until such exclusions cover the excess quantity;

(5) The quantity of milk diverted for the account of a cooperative association from a pool plant of another handler that would cause the pool plant to be a nonpool plant shall not be producer milk. In such event, the diverting handler may designate the dairy

farmer deliveries that shall not be producer milk. If the handler fails to make such designation, milk diverted on the last day of the month, then the next-to-last day of the month, and so on, shall be excluded until such exclusions cover the excess quantity; and

(e) Milk diverted pursuant to paragraph (c) or (d) of this section shall be priced at the location of the plant to which diverted.

§ 1032.14 Other source milk.

Other source milk means all skim milk and butterfat contained in or represented by:

(a) Receipts of fluid milk products and bulk products specified in § 1032.40 (b)(1) from any source other than producers, handlers described in § 1032.9(c), or pool plants;

(b) Receipts in packaged form from other plants of products specified in § 1032.40(b)(1);

(c) Products (other than fluid milk products, products specified in § 1032.40(b)(1), and products produced at the plant during the same month) from any source which are reprocessed, converted into, or combined with another product in the plant during the month; and

(d) Receipts of any milk product (other than a fluid milk product or a product specified in § 1032.40(b)(1)) for which the handler fails to establish a disposition.

§ 1032.15 Fluid milk product.

(a) Except as provided in paragraph (b) of this section *fluid milk product* means any milk products in fluid or frozen form containing less than 9 percent butterfat, that are in bulk or are packaged, distributed and intended to be used as beverages. Such products include, but are not limited to: Milk, skim milk, lowfat milk, milk drinks, buttermilk, and filled milk, including any such beverage products that are flavored, cultured, modified with added nonfat milk solids, sterilized, concentrated (to not more than 50 percent total milk solids), or reconstituted.

(b) The term *fluid milk product* shall not include:

(1) Plain or sweetened evaporated milk, plain or sweetened evaporated

skim milk, sweetened condensed milk or skim milk, formulas especially prepared for infant feeding or dietary use that are packaged in hermetically sealed containers, any product that contains by weight less than 6.5 percent nonfat milk solids, and whey; and

(2) The quantity of skim milk in any modified product specified in paragraph (a) of this section that is in excess of the quantity of skim milk in an equal volume of an unmodified product of the same nature and butterfat content.
